

Technical drawing of a cabinet layout. The drawing shows a side view of a cabinet with a fixed panel on the right and a door assembly on the left. The door assembly includes a vertical track with five adjustable shelves and a kick plate at the bottom. Dimensions are provided for the overall height (2725), the height of the fixed panel (2585), and the height of the door assembly (120). The width of the cabinet is 2070, with a 20mm pelmet at the top. The door assembly is 1240 wide, and the fixed panel is 800 wide. The door assembly is labeled TSK (#130) and the fixed panel is labeled Tall (#131).
